BYLAWS

Amended & Restated November 7, 2024

Article 1 – Purpose, Legal Basis, Amendment

- 1.01 The purpose of these Bylaws is to establish procedures, policies, and rules for regulating and managing the HOA. The Bylaws must be consistent with applicable State laws and with the HOA Articles, Covenants, and Restrictions. The Bylaws do not invent new powers. For convenience, a few Covenant & Restriction provisions are repeated in these Bylaws.
- 1.02 The legal basis for Bylaws is LRS 12:222 of the Louisiana Nonprofit Corporation Law. The authority of the Board to establish, amend and repeal Bylaws on behalf of the HOA is derived from HOA Covenants §2.3.
- 1.03 These Bylaws may be amended at any duly convened meeting of the Board, provided that the text of the proposed amendment(s) is delivered to all Directors, in hardcopy or by email, at least 48 hours before the meeting.

Article 2 – Class A Membership Only

- 2.01 Since about the year 2010, the total number of votes outstanding in the Class A Membership (lot count x 1) has exceeded the total number of votes outstanding in the Class B Membership (lot count x 7). Therefore, pursuant to HOA Covenants §1.6, Class B Membership has terminated. Only Class A Membership remains, and “one vote per lot” applies.

Article 3 – Community Meetings

- 3.01 LA R.S. 12:229 requires an Annual Meeting to be held for the purpose of electing Directors. LBV HOA’s Annual Meeting shall be held during April at a time and place specified by the Board.

- 3.03 For business to be transacted at any duly convened Community Meeting including the Annual Meeting, a quorum must be present in person or by proxy. Pursuant to HOA Covenants §2.1, the quorum for Community Meetings is here defined to be that number of members sufficient to represent 25% (if fractional, rounded up to the next integer) of the total number of lots. The minutes for each Community Meeting shall state the current

total number of lots, what the quorum was for the meeting, how many lots were represented at the meeting, and whether or not a quorum was present.

- 3.04 When so directed by the President, by the Board, by the written request of any 20 members, or by request of at least 25% of members for budget review pursuant to HOA Covenants 3.4.C, the Secretary (with or without the assistance of the Business Manager) shall send out the notices for a Community Meeting. If the Secretary is unwilling or unavailable, the notices may be sent by any one of the requesting Association members to whom shall be given the names and mailing addresses of all Association members. (Ref. LA R.S. 12:229)

Article 4 – Action by Membership without a Community Meeting

- 4.01 Pursuant to HOA Covenants §2.2, the Board is permitted to seek approval from the HOA Membership for certain proposals without a Community Meeting, without prior notice, and without a vote. Such approval shall be obtained via signed written consent by a sufficient percentage of lot owners. The minimum percentage required is here defined as a majority of the total number of lots, unless a higher percentage is required by Covenant or statute.
- 4.02 An attempt by the Board to secure approval by signed written consent shall be initiated by mailing to all property owners a letter (based on Form LBV-04a-InviteSignedConsent). This letter invites owners to grant their consent by so indicating on the “signed-consent ballot” (based on Form LBV-04b-SignedConsentBallot) that is enclosed with the letter of invitation. The signed-consent ballot is allowed to solicit consent with individual proposals, a group of proposals, or a combination of individual and grouped proposals. The ballot shall (a) announce the proportion of members who must consent with the proposals to be approved; (b) announce the deadline for receipt of consents; and (c) present the rationale for the individual or grouped proposals that will help Association members to understand the proposals and why approval is needed.
- 4.03 A record of each such attempt at securing approval shall be recorded by the Secretary in the minutes of a subsequent Board meeting. Such a record shall state the text of the proposal, the current total number of lots, how many lots were represented by signed consent, what the required minimum number of consenting lots was, and whether or not the proposed action was thus approved.

 - (b) Providing the draft was agreeable to the majority of Board members, email the completed Friendly Reminder including a time stamped photo attachment(s) to inform the property owner (and renter, if applicable) about the problem.
 - (c) It is up to the owner and/or renter to choose how to resolve the violation.
 - (d) If the problem has not been resolved within 14 days of emailing the Friendly Reminder with attachments, use U.S. Mail with Delivery Confirmation to mail a completed Form LBV-09b-SecondNotice for whichever of the following three scenarios is true, if any:
 - (1) Neither a corrective plan with timeline was submitted, nor a Board hearing requested, within those 14 days; or
 - (2) A corrective plan with timeline was submitted within those 14 days but either the corrective plan or progress against its timeline is not acceptable to the Board; or
 - (3) A Board hearing requested during those 14 days was eventually held but did not change the Board's decision about the existence of a violation.
 - (e) The Business Manager shall keep the Treasurer informed regarding each violation that – pursuant to the Schedule of Noncompliance Assessments in Form LBV-09b-SecondNotice – qualifies for a Noncompliance Assessment. All relevant Noncompliance Assessments shall be assessed by the Business Manager and included in the invoices presented routinely to property owners.
 - (f) If the problem persists 14 days after mailing the Second Notice, the Business Manager shall inform all Board members via email so that the Board can decide what step to take next – such as an offer of mediation, or a plan to file suit to seek an injunction, or a plan to hire an attorney to issue a demand letter.
 - (g) If correction of a violation turns out to be only temporary, the Business Manager is instructed to re-open the case and resume Noncompliance Assessments where they were left off.
- 16.05 If an offender requests a hearing before the Board to explain why (s)he believes the Covenants or Rules are being incorrectly applied, and so notifies the Business Manager within 14 days the Friendly Reminder was mailed:
- (a) The Business Manager shall report the hearing request to the President for consideration at a Board meeting.
 - (b) After being heard, the offender shall be ushered out.
 - (c) The Board may or may not choose to take action.

Article 19 – Rules – Vehicle Parking

19.01 Board authority to regulate vehicle parking derives from Declaration §2.13.

19.02 Declaration §2.13 provides that the parking of vehicles in “streets or rights-of-way” is “subject to the Association's rules”. That provision is interpreted by these Bylaws as meaning that noncompliance with a RULE about parking in “streets or rights-of-way” constitutes noncompliance with our COVENANTS and is therefore enforceable via Noncompliance Assessments.

19.03 No motorized vehicles of any kind are allowed in or on the Common Areas. (Declaration §2.13) These Bylaws interpret “Common Areas” in this context to mean the lawns, landscape, and walkways of the Common Areas. These Bylaws further interpret “motorized vehicles” to NOT include children’s battery-operated toys.

19.04 No vehicle may be parked on any street for longer than 24 hours (Declaration §2.14) whether or not it is in front of a house.

- 19.05 No vehicle may be placed on blocks or in any immovable position anywhere in La Bon Vie. (Declaration §2.14)
- 19.06 Except for the paragraph following this one, the only types of vehicles permitted to be regularly or frequently parked anywhere they can be seen by neighboring residents or by the public, are passenger vehicles used for personal transportation. Such “passenger vehicles” are here defined as automobiles, pickup trucks, vans, SUVs, motorcycles, and the like. (Declaration §2.15 & Board decision)
- 19.07 Vehicles such as boats, trailers, and RVs may be parked only for the purpose of (un)loading (a) in the street for up to 24 hours or (b) upon driveways for up to 72 hours.
- 19.08 No vehicle may be parked for any length of time:
 - (a) Anywhere in La Bon Vie, if the vehicle is without a current license plate (Declaration §2.13);
 - (b) On the lawn or shrub bed on the side of a house facing a street – such parking defined as the full width of one or more tires resting on the lawn or shrub bed;
 - (c) In the street where the curb is painted yellow, the location of such curbs chosen by the Board;
 - (d) So as to hinder (1) access to streets, private lanes, or driveways; or (2) the free travel of emergency vehicles;
 - (e) Within 20 feet of the corner at a street or private lane intersection;
 - (f) In private lanes – except that brief temporary parking, usually for (un)loading purposes, is permitted in private lanes but the driver must remain in the vicinity to move the vehicle should the need arise; or
 - (g) On any sidewalk – except that a vehicle may be parked on that portion of a sidewalk that forms part of a driveway.
 - (h) Where signage clearly indicates “No Parking...”
- 19.09 Undeveloped lots are privately owned and not intended to serve as parking areas. Residents who wish to park on an undeveloped lot are advised to first get written permission from the lot owner. If a passenger vehicle is parked on an undeveloped lot, the vehicle is not allowed to be parked within 20 feet of the street curb.
- 19.10 Passenger vehicles parked on the grass, anywhere they can be seen by neighboring residents or by the public, are not allowed to cause unsightly damage to the lawn, nor are they allowed to be parked within 20 feet of the street curb.

Article 20 – Rules – Animals and Pets

- 20.01 Board authority to regulate animals and pets derives from Declaration §2.21.
- 20.02 Declaration §2.21 provides that “no animals, including without limitation, livestock, poultry, game birds, rabbits, snakes, shall be raised, bred, or kept on any Lot, except that dogs, cats, and other common household pets of the domestic variety may be kept

provided that they are not kept, bred, or maintained for commercial purposes and provided that no more than two (2) of each type animal are kept” is “subject to the Association's rules”. That provision is interpreted by these Bylaws as meaning that noncompliance with a RULE about animals not being kept under control, constitutes noncompliance with our COVENANTS and is therefore enforceable via Noncompliance Assessments.

20.03 It is expressly declared that the Rules of the Association (Declaration §2.21) relative to pets:
a) require pets to be on leashes.

20.04 The Association Board shall have the right to order any Association Member (Declaration §2.21) or resident of LA BON VIE whose pet is considered, in the sole discretion of the Association Board to be dangerous or a nuisance, to remove such pet from LA BON VIE and the Association Board shall have the sole and exclusive authority to determine, after notice to such Member or resident and affording such person an opportunity for a hearing with the Association Board, whether or not any pet is dangerous or a nuisance.

Article 21 – Rules – Hazardous Activities

21.01 Pursuant to Declaration §2.18, "hazardous" activities are prohibited as is any activity which may be "unsafe" or which may become a hazard to any person or property in La Bon Vie.

21.02 The Association is not required to list in advance all activities which could fall under this prohibition. Nevertheless, these Bylaws hereby inform all owners and residents that the following are among activities which are hazardous and therefore prohibited by the LBV Covenants:

(1) Blowing, dumping, pouring, or sweeping any of the following into LBV's street-drainage system or ponds: lawn clippings, leaves, construction materials, automotive fluids, chemicals, paint, or any other debris. Such materials hinder the flow of water in the drains thereby promoting silt buildup, and/or they threaten the health and well-being of the ponds and fountains. Note: Draining modest amounts of soapy water and dirt into LBV's street-drainage system from the washing of residents' personal vehicles is not considered a hazardous activity.

21.03 LBV property owners are responsible for ensuring that they and their renters hire only those contractors who have been told about the LBV prohibition on hazardous activities AND abide by it.

21.04 LBV property owners specifically will be subject to non-compliance assessments if anyone servicing their property is found to be in violation of the above provision.

23.02 Payments are due by the 10th of the month for which the dues have been invoiced. An account shall be considered past due if it is not paid up by the 10th of the month.

23.03 Each invoice shall inform members that for accounts with past due amounts, fines of \$20 shall be assessed on the 11th day of the month (i.e. on the first day after the account became past due). (Ref: HOA Covenants §4.7.E) Writers of bounced (NSF) checks are required to (a) reimburse the Association for all NSF-related expenses they cause, and (b) pay late fees if applicable.

23.04 The Business Manager is authorized to telephone or email reminder messages to owners of past due accounts.

23.05 When an account is 30 days past due, the Business Manager shall email a late statement; at 60 days past due, a certified letter. When an account balance reaches \$500 past due, the Business Manager is authorized to file a lien if the Board has so decided, and

- (a) mail a letter (Priority Mail, Delivery Confirmation) based on Form LBV-14a-
InformLien to inform the owner that a lien will be filed if the account is not settled within 30 days of mailing; and
- (b) document the date of delivery of the letter to the owner.

23.06 If the account is not settled within 30 days of mailing the foregoing letter, the Treasurer shall

- (a) prepare a lien for signature by the President, based on Form LBV-14b-LienAffidavit;

23.07 If a lien is not settled by the owner within two months of its filing, the Treasurer shall seek Board approval to hire an attorney to send a letter demanding payment of dues, fines, and collection costs.

- 23.08 If a lien is not settled by the owner within six months of the mailing of the attorney’s demand letter, the Treasurer shall bring a motion before the Board to hire an attorney to sue for payment.
- 23.09 If the account remains unsettled 6 months after a court judgment favorable to the Association, the Treasurer shall bring a motion before the Board to consider further judicial means of getting paid – such as financial examination, garnishment, and foreclosure.
- 23.10 Fines, assessments, and interest collected on past due accounts (excluding dues) may be used in a special fund chosen by the Board.
- 23.11 After funds referenced in a lien have been paid up, the Business Manager shall cancel the lien by filing two Clerk of Court forms: “REQUEST FOR CANCELLATION” and “RELEASE BY OBLIGEE OF RECORD”.
